#### Old Business:

1. Parking: HOF Parade at the RR- Alicia, Laurie and Shelby parked cars on the Saturday of HOF weekend. We filled the lot, met interesting people, and had fun.
2. School supplies and backpacks. This year we provided school supplies for 48 students and 12 backpacks. This year the parents had to purchase the backpacks and send us the receipts so the kids could get their choice. We reimbursed 80%.

- a. This was a heavier admin burden on Alicia and Matt but it worked out really well.

#### New Business:

1. MNC updates:
  - We need a few more volunteers on Tuesday and Saturday.
  - Martha had heard from a friend about a MNC in a school down south-could we do something similar here.
    - Jenna suggested a professional wear shop for job interviews
    - We talked about pop-up shops-Halloween, back to school, winterwear and giving the school clothing that they need.
2. Reimbursements for Matt regarding a recurring charge for HS hygiene supplies that ended up on his personal credit card. Martha motions, Alicia second- Motion carries

#### **Meta discussion how Angel Network intake works and how families take advantage of benefits.**

#### **Alicia and Laurie have put together a September newsletter which will be sent out via Parent Square.**

3. Zoom Links for upcoming meetings- Laurie would like to start pushing out meetings in a digital format to make it easier for some people to get to. Research on the best method over the next month.
4. Please update preferred contact method (both phone and email) before leaving today.
5. Mix and Mingle-Tab says it's happening in October. Group asked if we could have a date as soon as possible as the October Calender is getting really full for everyone and time is getting short to gather silent auction donations.
6. Mohawk Valley Gives-Facebook Posts set up and emails written. Please like and share the posts on September 19.
7. Holiday Program- Planning underway. In the past Shelby and Laurie have worked on the holiday program together. This year Laurie would like someone to work with her on the donor side.
  - a. Alicia revamped the sponsor questionnaire.
  - b. We also plan to partner with the gym-asking them to place giving trees in the lobby.

Funding request:

-Rent help-\$600 requested of \$1300 rent. Non custodial parent with visitation rights (out of district) but the student lives in district.

- Hart time giving rent to a concustodial parent as we typically support the child and not the parent. This request would use most of the student's allotment for the year. Vote was no.

Comments: October is when we elect officers for the year.
